

The following reports have been modified:

- CL Report 01: W-2 Caseload Report [W2D] (Custom Months)
- CL Report 01: W-2 Caseload Report [W2D] (Last 12 Months)

These Caseload reports now have the CMF+ placements separated from the rest of the Paid placements to give a better view of our paid caseload. However, Input Controls have been provided to allow users to easily add them back into the Paid Caseload total, if that is their need.

Additionally, the old "CL Report 01: W-2 Caseload Report" which show the CMF+ placement as "9" and puts it in the UnPaid Caseload will be retired on 5/31/2019. Please update any processes utilizing this report to refer to the "CL Report 01: W-2 Caseload Report [W2D] (Custom Months)" report.
